

## DISTRICT ANNUAL NOMINATIONS

Colonial Trail District asks for your nominations for district leadership for the year 2006-2007. Persons approved by the district for these positions will serve commencing 4 October 2006, the date of the district's 2006 Annual Business meeting.

Who are we looking for? **ANYONE!** Yes, anyone interested in serving Scouting in our district in any of the functional areas of Program, Membership, Finance, Marketing, and general support. Some areas necessarily require experienced Scouters, be they current or previous members of this or any other district over the years. Any person residing in the Suffolk, Isle of Wight, and Surry counties area, who has an interest or skill that could contribute to a quality program for our Scouts, may also be nominated for consideration. *Note - all persons approved to serve on the District Committee must be or become registered members of the BSA.*

Persons currently serving in any district position may be nominated for further service in that or any other position. Unit Scouters may also be nominated. Please provide your thoughts as to why you believe your nominee would be an asset to the position nominated for.

What do we need these good people to do? We will need people to serve on standing operating committees such as advancement, training, activities, etc and ad hoc committees formed for specific purposes such as camporees, annual recognition dinner, membership drives, Friends of Scouting campaign, etc. We also need Members At Large for the district – those who have experience and knowledge of our district and tri-county area that can help with the various activities in a more “non-specific” manner.

The district Nominating Committee will gather all names submitted over the next 45 days or so, evaluate skills and experience, and contact each nominee to find out their personal desires for serving the district. The committee will then form a slate of nominees to submit to the whole District Committee on 4 October 2006 for voting and approval.

All nominations and discussions of the Nominating Committee are held in strictest confidence. Accordingly, we ask that you provide your nominations **ONLY** to the District Chairman or District Executive through their personal email or to the following US Postal Service address:

Colonial Trail Nominations  
PO Box 422  
Smithfield, VA 23431-0422

Please note, we are unable to accept nominations in any other manner, including verbally, in order to ensure confidentiality.

Yours In Scouting,

Jim Sheckels, District Chairman [kk-commissioner@earthlink.net](mailto:kk-commissioner@earthlink.net)  
Marie Jones, District Executive [mjbsa@aol.com](mailto:mjbsa@aol.com)
